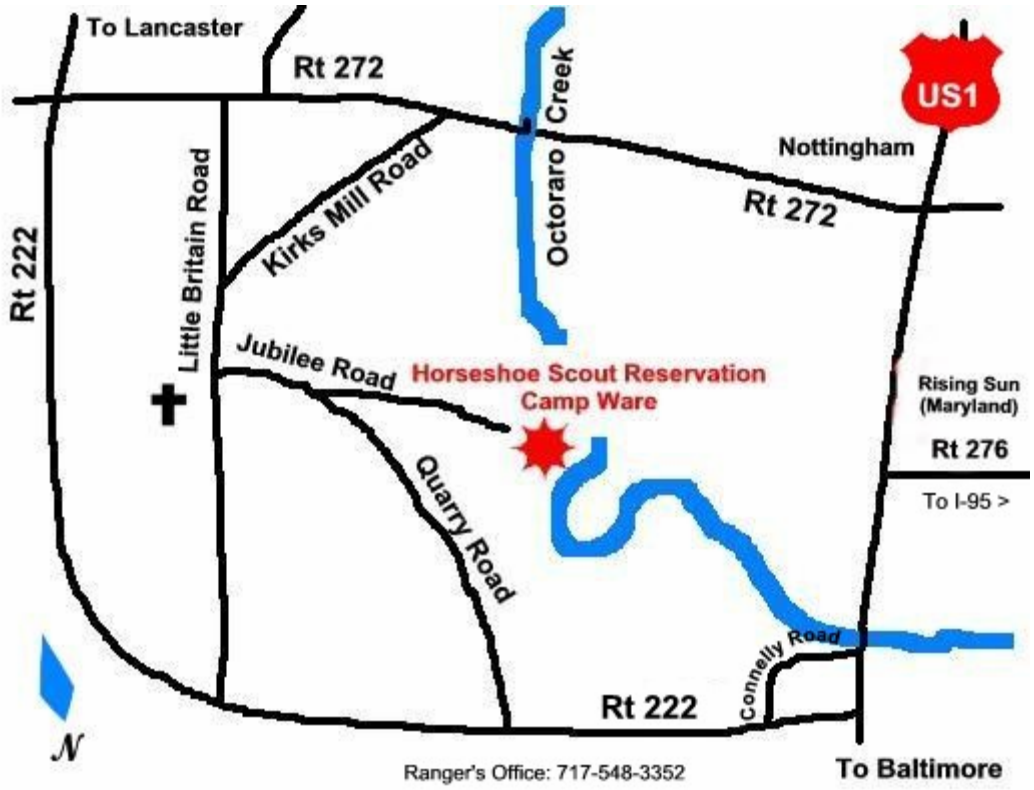
To Camp Ware

From the South –

- Take **U.S. 1 NORTH** across the Susquehanna River Dam in to Conowingo, Maryland.
- At the **traffic light** turn **LEFT** on to **222**.
- Follow 222 towards Lancaster. Immediately before the large blue *"Welcome to Pennsylvania"* sign is Quarry Road.
- Turn **RIGHT** on to **Quarry road**.
- Follow Quarry Road to the **Jubilee Road intersection** at the top of the winding hill.
- Once at the **top of the hill**. You will have to make a **hard RIGHT** turn onto **Jubilee Road** (There is a three way STOP at this intersection. A Stop sign is located in both directions of Jubilee Road, and the third sign is at Cedar Lane - directly across from Quarry Road. There is NO stop sign on the Quarry Road side and it may be difficult to see the Camp sign, as it can be easily missed when coming from this direction).
- After the hard right turn, follow **Jubilee Road directly in to camp**.


Once you've arrived you will first need to check in. The Campmaster can be found at the Headquarters building located on the right hand side of the main parking lot.
